## Terms of Acceptance

### INFORMED CONSENT

I have been advised that chiropractic care, like all forms of health care, holds certain risks. While the risks are most often very minimal, in rare cases, complications such as sprain/strain injuries, irritation of a disc condition, and although rare, minor fractures, and possible stroke, which occurs at a rate between one instance per one million to one per two million, have been associated with chiropractic adjustments.

Treatment objectives as well as the risks associated with chiropractic adjustments and, all other procedures provided at Nu Life Energy Chiropractic have been explained to me to my satisfaction and I have conveyed my understanding of both to the doctor. After careful consideration, I do hereby consent to treatment by any means, method, and or techniques, the doctor deems necessary to treat my condition at any time throughout the entire clinical course of my care.

### OFFICE POLICIES

I hereby acknowledge receiving a copy of the practices 'Office Policies' a two page document, the first page of which I have read and retained. This second page is recognized by me as the signature page and will be retained by the practice as evidence of my receiving and understanding this 'Notice'. I further acknowledge that any concerns regarding these 'Policies' as well as all my questions have been answered by a qualified member of the staff to my complete satisfaction.

### FEMALES ONLY: X-RAYS/IMAGING STUDIES

Please read carefully and check the boxes, include the appropriate date, then sign below if you understand and have no further questions, otherwise see our receptionist for further explanation.

☐ The first day of my last menstrual cycle was on \_\_\_\_\_ (date)

☐ I have been provided a full explanation of when I am most likely to become pregnant, and to the best of my knowledge, I am not pregnant. By my signature below, I am acknowledging that the doctor and/or a member of the staff has discussed with me the hazardous effects of ionization to an unborn child, and I have conveyed my understanding of the risks associated with exposure to x-rays. After careful consideration I therefore, do hereby consent to have the diagnostic x-ray examination the doctor has deemed necessary in my case.

### FINANCIAL POLICY

#### INSURANCE PLANS

For our patients with insurance benefits, please note that although we are happy to bill your insurance carrier as a courtesy, the insurance contract exists between the carrier and the insured. We will accept insurance assignment, but cannot guarantee payment of benefits. **Any questions regarding your benefits should be directed to your insurance carrier directly.**

#### PAYMENT

**Payment is due in full at each appointment for chiropractic services provided.** We accept Visa, MasterCard, American Express, Discover, Cash, and Personal Checks. As a courtesy to patients with chiropractic insurance, we electronically submit insurance claims. Payment is due at the time of service for all estimated portions of charges, deductible, co-pay amounts, and non-covered services. If your insurance company has not paid within 45 days, your balance is due in full.

A statement of services rendered will be mailed at the end of each month. Receipt of payment is expected within 30 days from the time of service for any outstanding balance. Your account will be considered delinquent if payment is not received within 60 days from the time of service; a late fee of 1.5% per month will be assessed and will appear on any subsequent statements.

Delinquent accounts will be sent to a collection agency, and collections fees will be added to your account. If the balance is deemed uncollectible by the collection agency after 30 days, a report will be filed with the national credit reporting agencies, which will adversely affect your credit rating.
